

FSA7500 – LCD Monitor Arm

The FSA7500 Radial Arm is a remarkable work tool. Effortlessly position your monitor exactly where you want it, and add flexibility to your work style. Suspend your flat panel above the desk surface and reclaim your valuable space. Innovative cable management routes cables inside the arm, in order to keep your desk organized. You'll never work the old and cluttered way again!

FEATURES

- 18" of vertical range
- 28" of horizontal range
- 7 lbs - 27 lbs
- Folds up to occupy just 3" of space
- Monitor tilter mechanism can tilt over 200 degrees
